physicians, suffering, as ther imagine, one from dysperson, another from heart disease, another from heart disease, another from nervous exhaution or prestration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, s arate and distinct diseases, for which arate and distinct diseases, for which he, assuming them to be such prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of sufferlug, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like by Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease. would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort in-stead of prolonged misery. It has been well said, that "a disease known is half

cured."
Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native medicinal roots and is perfectly harmless in its effects in any confliction of the system.

As a soothing and strengthening nerv-ine Favorite Prescription is unequaled and is invaluable in allaying and sub-duing nervous excitability, irritability, nervous exhaustion, nervous prostrution neuralgia, hysteria, spasms, choren, st Vitus's dance, and other distressing, nerv ous symptoms commonly attendant up functional and organic disease of a merus. It induces refreshing sleep in relieves mental anxiety and despendence.

Dr. Pierce's Piersant Pellets invigoratile stomach, liver and bowels. One three a dose. Easy to take as causiy.
